### Recap of May Teen Board Meeting

Alyce Lees of the Paint Store showed samples of techniques that we may want to employ when repainting the Best Cellar. One of the exciting techniques was to use an over head projector and create large stencils that allow you to create murals. She also talked about the use of color, decorative painting techniques and using the existing basecoat to start.

We need to raise funds to pay for paint and painting supplies and we have the perfect opportunity during Strawberry Festival. We decided we would sell canned pop and rootbeer floats. We will also be making some beading and jewelry items to sell. We have to work quickly because Strawberry Fest is June 15. We will plan on selling from 9-1 (library hours). If you are interested in selling or creating pieces to sell, contact Peg, Jennifer or Collin. We will be meeting on June 12 and 13 at 1:00 to make the jewelry.

Our Summer Programs include Crafty Tuesdays and Friday Flicks. Both programs will be at 1:00 pm on the stated days. We are also planning additional music programs on June 24, July 22 and August 12. These Monday nights have been set aside for our programs, but they have not been finalized. We are planning local Rock Bands, Karaoke, and Open Mike. Please let one of the YA Staff know if you know musicians who would be interested in performing. These programs also offer fundraising opportunities. We can sell pop and refreshments.

The Library will be losing two staff members this summer as they go off to school. Jesse Cuff and Collin Weber will both be missed, and we need to find replacements. If you are interested in a job for the later part of the summer and throughout the school year please stop at the Circulation Desk and fill out an application.

We are offering a reading incentive program for Teens this summer. You can win prizes two ways. Be an Instant Winner. Receive a prize when you checkout a book. Or, enter a drawing for prizes. Cut off the top of your due date slip when you checkout any library materials and apply for the prizes you wish to win.
