Lockin , June 30th, 8pm to 6am

Fourteen members of SLAG spent the night in the library instead of the usual monthly meeting. Members played games, watched movies and explored the library. The Lockin has become a semiannual event. Members voted to include only those members who have attended three meetings in the last six months and have helped with a fund raiser.

Fund Raisers

SLAG sold refreshments at both the June Third Thursday and Strawberry Fest. They deposited just over \$140 for the two events. SLAG continues to sell candy bars and Library Matters bracelets at the Circulation Desk. SLAG ended June with just over \$3500 in their checking account.
