- a. Reader's Theatre - Val has the Scripts and will e-mail them to Peg. We will be going over these scripts at the next Committee meeting on Tuesday April 3rd.
- b. Program Room Use - The rules are working fine, but there is one we decided to add. We need to put the cuss-jar back into use. It will be \$0.25 for each word and the words will be decided by the worker who is on duty at the time. This was motioned by CJ and 2nd by Kyle St. Martin
- c. Wisconsin Rural Challenge - We will be hoping to visit the Hutchinson House for the Middle School Summer School art Class. We can get this information from Kristen Hendrickson and Anna Kirk who volunteer there each summer.
- d. Cookie mix in a jar - We have decided to change the fabric on top of the jars to be Easter themed so they will be up to date.
- e. Teen focus group - We received \$250.00 from Demco to shop for something for the room. Everybody enjoyed The day and said it was very much worth their time.
- f. Teen Tech Week - Due to Peg's vacation and snow days, we weren't able to get this idea off the ground. Next week we will start planning in January.
- g. March Early Dismissal - 24 students attended for the Murder Mystery. We need to be more organized next year.
